3. Re. SoCalGas-217, p. 24: Please provide the actual 2006 unit costs (in 2005\$) for “communications expense” and “business forms expense” in the same categories as the bullet points shown in the response to DRA-SoCalGas-017-DAO, Q.1.

SoCalGas Response:

Because of the manner in which costs and units are recorded for “communication expense”, the bulleted items as shown in response to DRA-SoCalGas-017-DAO, Q.1. which pertain to cell phones, pagers and one time cell phone start up costs, the 2006 actual unit costs are not available.

The 2006 average unit costs for “business forms expense” per employee is shown in the table below.

Business Forms Expense/Employee
2006 Adjusted Recorded Shown in 2005 Dollars

	Average Cost/Employee
Gas Distribution	\$315
Customer Service	\$592
Total	\$907
Combined Average	\$454
