

TURN DATA REQUEST
TURN-SCG-DR-36
SOCALGAS 2012 GRC – A.10-12-006
SOCALGAS RESPONSE
DATE RECEIVED: SEPTEMBER 6, 2011
DATE RESPONDED: SEPTEMBER 21, 2011

1. This request is a follow-up on Sempra Utilities responses to TURN DR 16-3 Attachment and UCAN DR 25-3 Attachment. The recorded values in the tables included as part of the responses do not appear to comport with the recorded values included on p. 33 of SCG-19R-WP for TURN DR 16-3 Attachment and SDGE-25R-WP for UCAN DR 25-3.
 - a. Please reconcile the differences.
 - b. Please either confirm that the data provide by TURN DR 16-3 Attachment and UCAN DR 25-3 are correct and that the values on p. 33 of both SCG-19R-WP and SDGE-25R-WP are incorrect, or correct the data in TURN DR 16-3 Attachment and UCAN DR 25-3 so that they comport with the recorded data in the workpapers.

SoCalGas Response 01:

Please refer to TURN 32-2 for the requested reconciliation for SoCalGas and UCAN 64-2 for SDG&E.

DATE RESPONDED: SEPTEMBER 21, 2011

2. Following up on TURN DR 27-5c and UCAN DR 54-5c, please provide the recorded data for each month for the categories “Waives”, “Employees Not Covered”, and “Retiree Shift”, which are the categories provided in the attached responses to TURN DR 16-3 and UCAN DR 25-3.

SoCalGas Response 02:

Attached is requested information. While compiling this data, it was found that the counts reported for TURN DR 27-5c and UCAN DR 54-5c inadvertently contained certain duplicative records. Therefore, the attached file also includes corrected counts for 2011 initially requested in TURN DR 27-5c and UCAN DR 54-5c.

The financial information for the 2011 retiree shift will not be available until after SoCalGas’ and SDG&E’s 10-K report is filed with the SEC in early 2012.
