

A  Sempra Energy utility®

AN EXCLUSIVE OPPORTUNITY – JUST FOR YOU.
SOCALGAS® WILL BE SENDING YOU PERSONALIZED USAGE REPORTS

Very soon, we'll be sending you personalized SoCalGas® usage reports*.

Each report will help you take a closer look at your household energy use. It will also include energy saving tips that can help you lower your natural gas bill.

In addition, your report will have a usage comparison chart that lets you compare your usage to households similar to yours.

*Selected customers will receive their personalized natural gas usage report from November 2018 through October 2019. Limited to residential customers only. Data, analysis, and recommendations in the report are based on estimates and projections and are provided for informational purposes only. To stop receiving these reports or if you prefer an electronic version, please email scgconservation@semprautilities.com
