SOUTHERN CALIFORNIA GAS COMPANY NOTICE TO INCREASE RATES FOR THE 2020 FLEX ALERT CAMPAIGN APPLICATION NO. A.19-11-018.

On November 22, 2019, Southern California Gas Company (SoCalGas®) filed application no. A.19-11-018 with the California Public Utilities Commission (CPUC) requesting to increase rates to fund the 2020 Flex Alert Campaign. SoCalGas requests an increase in the revenue requirement by \$8.9 million in 2021. SoCalGas is requesting that the proposed rate increase become effective on January 1, 2021.

SoCalGas' proposed 2020 Flex Alert Campaign is designed to educate the public in the Los Angeles area to conserve electricity during heat waves and times of high electricity demand. The CPUC will review the proposed Flex Alert Campaign and associated budget included in the application and if the CPUC approves this application, SoCalGas' revenue requirement will increase to reflect the authorized budget for the Flex Alert Campaign.
