**DATE RESPONDED: JANUARY 11, 2015**

6. Please provide all documents relating to the report of the Safety Enforcement Division of the CPUC described as "Hazard Analysis and Mitigation Report on the subject of Aldyl-A Polyethylene Gas Pipelines" issued June 11, 2014 and relating to the response of Southern California Gas Company and San Diego Gas & Electric Company titled "Comments on Hazard Analysis and Mitigation Report, Aldyl-A Polyethylene Gas Pipelines," dated August 11, 2014.

The term "document" refers to all written, graphic, and/or computerized material, including all "writings" as that term is defined in California Evidence Code Section 250, however produced or reproduced, of every kind and description, including but not limited to originals and copies of correspondence, papers, including working papers, books, pamphlets, contracts, memoranda, periodicals, accounts, letters, photographs, objects, microfilm, videotape, audio tape, notes, policies, diagrams, memorials of any type of conversations, meetings, or conferences, minutes, inter-office communications, e-mail, records, reports, studies, analyses, estimates, licenses, agreements, ledgers, accounts, purchase orders, data sheets, data processing tapes or disks, information maintained in computerized form, printouts, handwritten notes, or things similar to any of the foregoing.

**SoCalGas Response 06:**

Please see the attached confidential and public documents related to the June 11, 2014 report of the Safety Enforcement Division of the CPUC ("Hazard Analysis and Mitigation Report on the subject of Aldyl-A Polyethylene Gas Pipelines") and the August 11, 2014 response of Southern California Gas Company and San Diego Gas & Electric Company.

The public documents (Advisory Bulletins and Pipeline/Special Investigation Reports) are attached as:
