

2020 MULTIFAMILY REBATES CONTROLLER APPLICATION

For a limited time, Qualifying energy-efficient equipment purchases will receive an extra 50% rebate effective September 1, 2020 until December 31, 2020. Stated rebates includes extra 50%. Cash rebates may be available for the installation of qualified energy efficiency products in apartment dwelling units and in the common areas of apartment complexes, condominiums and mobile home parks.

HOW TO APPLY

- 1. Read the Terms and Conditions section for program details.
- Visit our website at socalgas.com (search "MULTIFAMILY")
 to make sure funding is available and both reservations and
 applications are being accepted. Program may be subject to
 change or termination without prior notice at any time.
- 3. Before purchasing your energy-efficient product, be sure that the product meets the rebate requirements as listed in the product specification sheets. Additionally, controllers for natural gas water heaters and boilers must be installed by an eligible, licensed Contractors State Licensing Board (CSLB) installer who has attended a SoCalGas® Boiler Controller Seminar.
- **4.** Eligible controllers for natural gas water heaters and boilers pre-installation requirements include:
 - A separate Multifamily Energy Efficiency Rebate Reservation Form for each site address with account number
 - A completed controller pre-installation form completed by an eligible installer
 - A SoCalGas pre-installation inspection on all controller products to verify status and eligibility
- Qualified products must be new, and purchased and installed between September 1, 2020 and December 31, 2020. Please be aware these purchaseand-install periods will end earlier if funds are no longer available.
- 6. Once the product(s) are installed and pass required inspection, complete this Application Package (pages 4-8) and include the following items:

	A completed, dated and signed Controller Application (original signature required).
\neg	Installer's completed Controller Post-Installation

Installer's completed Controller Post-Installation
Forms (controllers for natural gas water heaters and
boilers only).

A copy of a recent SoCalGas bill for the gas account
serving the energy-efficient product.

A copy of paid itemized	sales receipt(s), contractor
invoice(s) or paid home	improvement contract(s).

Cash on delivery (COD) and estimates are not acceptable proof of payment.

Receipts must indicate purchase date, manufacturer, model number, unit/apartment or location where the appliance was installed and must match the appliance Product Location Form. Be sure it indicates "Paid-in-full."

Email your completed application packet to: multifamilyrebates@socalgas.com

SoCalGas 2020 Multifamily Rebate Program M.L. GT 20B3 P.O. Box 513249 Los Angeles, CA 90099-4722

- 7. Program will end on December 31, 2020, or earlier, if funds are no longer available. All applications must be postmarked within 45 calendar days after the 2020 program termination date to be considered for a rebate. The date a measure is removed or suspended from the 2020 program will represent the termination date for which postmark eligibility will be based. Call 1-800-508-2348 to check availability of funds.
- 8. SoCalGas may conduct an inspection to verify the energy efficiency product(s) eligibility and installation prior to rebate payment. All central domestic water heater (CDWH) controllers are inspected before and after installation.
- 9. A rebate check for qualified product(s) is generally mailed 90 days after SoCalGas approves a correct and completed application including all required documentation unless application is selected for inspection, which may add additional time. Questions? Call 1-800-508-2348 or email multifamilyrebates@socalgas.com.
- 10. You may not receive energy efficiency rebates for the same product or for the replacement of a product from more than one California Investor-Owned Utility (IOU) participating in this program or other third-party programs offering rebates, financing and other incentives, funded by the California Public Utilities Commission (CPUC).

STEPS TO RESERVE REBATE FUNDS FOR CDWH CONTROLLERS AND RESOURCES

Steps to Reserve Rebate Funds for CDWH Controllers

STEP 1: REVIEW ELIGIBILITY REQUIREMENTS

Carefully review this application package for product and program participation eligibility requirements, including the terms and conditions. This application or a checklist can be also requested online at **socalgas.com** (search "MULTIFAMILY") or call **1-800-508-2348**.

STEP 2: COMPLETE FORMS AND INCLUDE DOCUMENTS

Email the documents listed below to **multifamilyrebates@socalgas.com**.

- Complete, date and sign the Controller Rebate Reservation Form on page 4 (one reservation per account).
- Installer's completed Pre-installation Checklist.
- · Apartment and Common Area Products Form.
- · Products Rebate Forms.
- Copy of the SoCalGas bill where the controller products will be installed. Customer name on the reservation and application forms must match the name on the SoCalGas bill submitted.

Resource Information

CONTRACTORS STATE LICENSE BOARD (CSLB)

State law requires that a licensed contractor providing home improvement services greater than \$500 provide the customer with a Home Improvement Contract (HIC). You may wish to confirm you contractor's license status at the Contractors State License Board (CSLB) by calling the CSLB at 1-800-321-CSLB (2752) or accessing their website:

- Visit cslb.ca.gov.
- · Click on license status-check icon.
- Type in six-digit license number for verification.
- · Confirm active status of license under license status.

Confirm that contractor holds the appropriate license under applicable classification heading.

TERMS AND CONDITIONS (original signatures required)

- I understand that (a) applications are accepted on a first-come, first-served basis while funding is available, or until discontinued by the California Public Utilities Commission (CPUC), and must be postmarked within 45 days after the 2020 program termination date to be considered eligible for a rebate, and (b) qualified products must be purchased and installed between January 1, 2020 and December 31, 2020. I understand that these purchase and install periods will end earlier if funds are no longer available, and this program shall at all times be subject to change or termination without prior notice. ALL applications are processed on a first-come, first-served basis, upon receipt, until funds are no longer available. INCOMPLETE and INCORRECT APPLICATIONS CANNOT BE PROCESSED. Resubmitted applications are processed on a first-come, first-served basis, upon the new receipt date.
- 2. I am a property owner or property manager, as authorized agent for Property Owner, of a residential multifamily dwelling occupied by customers with a valid meter(s) served by SoCalGas. I understand that I am only eligible to receive rebates for products that correspond directly to the type service (i.e., natural gas distribution) for which my residential multifamily dwelling currently receives service from SoCalGas. Multifamily dwellings are defined as residential apartments, homeowners associations and/or mobile home parks with two or more units. The dwelling units must be fully constructed and occupied. New construction does not qualify.
- I certify that the qualified energy efficiency products were purchased and installed between January 1, 2020 and December 31, 2020. These products are for use in my residential multifamily dwelling or common area.
- 4. I have submitted the required documents establishing proof-of-purchase for the products applied for in this Application which are paid itemized sales receipt(s), paid contractor invoice or paid Home Improvement Contract (HIC), with manufacturer name(s), model number(s), square footage and any other required documentation.
- 5. I certify that all energy efficiency products were purchased new, and I understand that resale products and products leased, rebuilt, rented and received from insurance claims or won as a prize, or new parts installed in existing products do not qualify.
- I understand rebates will only be paid for products that meet the program specifications described on the Rebate Products Forms and related Specifications sheets.
- 7. Rebates are generally considered subsidies for tax purposes and could be taxable. You are urged to consult your tax advisor concerning the tax ability of these rebates. Rebates greater than \$600 will be reported to the IRS on Form 1099 unless you have checked corporation or exempt tax status on page 4 of this application form. SoCalGas is not responsible for any taxes that may be imposed on your business as a result of your receipt of this rebate.
- 8. I understand that the rebate amount cannot exceed my purchase price of the energy efficiency product, nor include tax or installation related costs, except for central system natural gas boilers, where the rebate amount cannot exceed the combination of purchase price and installation cost.

- 9. In the event that I choose to participate in the On-Bill Financing Program offered by SoCalGas to obtain financing for the products listed in this rebate form, I understand that the terms and conditions of participation in the On-Bill Financing Program will control (including, without limitation, the calculation of the rebate amount for the products listed in this rebate form) any conflict between the terms and conditions applicable to participation in this program and the On-Bill Financing Program.
- 10. I understand the qualified products may be self-installed, installed by a contractor, manufacturer or an appliance dealer.
- 11. I understand and agree that the choice of the energy efficiency products, selection of contractor, manufacturer, or dealer, purchase of materials, work performed and the payment thereof are my sole responsibility. I understand that SoCalGas makes no representations regarding products, contractors, manufacturers, dealers, materials or workmanship. I also understand that SoCalGas makes no warranty, whether expressed or implied, including warranty of merchantability or fitness for any particular purpose, use or application of the products or measures. I waive any and all claims against SoCalGas, its parent companies, its directors, officers, employees and authorized agents, and will indemnify SoCalGas for any claims arising out of or relating to the installation and/or use of the energy efficiency product(s) referred to in this Application. Without limiting the generality of the foregoing, none of such parties shall be liable hereunder for any type of damages, whether direct, indirect, incidental, consequential, exemplary reliance, punitive or special damages, including damages for loss of use, regardless of the form of action, whether in contract, indemnity, warranty, strict liability or tort, including negligence of any kind. I agree that SoCalGas has no liability whatsoever concerning the quality, safety or installation of the energy efficiency products, including their fitness, workmanship or any other matter.
- 12. I am responsible for meeting all program requirements and complying with my state/county/city governments, property owner and/or homeowners' association requirements (if any) in my area regarding local conditions, restrictions, codes, ordinances, rules and regulations pertaining to all installations. I further understand that it is my sole responsibility to ensure all rebated products are installed as per all manufacturers' specifications.
- 13. I agree to allow SoCalGas' representative and/or CPUC representative reasonable access to verify the installed products. I agree to this inspection to be eligible to participate in the program and receive a rebate for the qualified product. I understand this inspection is for the purpose of determining that the installed products meet all program(s) requirements.
- 14. I understand SoCalGas is not responsible for items lost or destroyed in transit.
- 15. I understand that I cannot receive a rebate for the same product or equipment from more than one California investor-owned utility or third-party energy efficiency program offering rebates, financing or other incentives funded with CPUC Public Purpose Surcharge funds.
