California Public Utilities Commission
Energy Division
Attn: Michael Rosauer

Dear Mr. Rosauer:

The California Public Utilities Commission (CPUC) provided its Second PEA Completeness Review Letter (Letter) for the Ventura Compressor Station Modernization Project (Project) to SoCalGas on May 9, 2024. SoCalGas submitted a response on July 8, 2024 which included responses to Deficiency Requests 1-16 and 19. In response to Deficiency Requests 17 and 18, SoCalGas is providing the attached Response to the California Public Utilities Commission Deficiency Request Area No. 2, Deficiency Request Nos. 17 and 18, on the Proponent's Environmental Assessment for the Ventura Compressor Modernization Project.

Should you have any questions, please feel free to contact me at agarcia6@socalgas.com.

Sincerely,

A handwritten signature in black ink, appearing to read "AG", followed by a long horizontal line.

Albert Garcia
Director - Environmental Services
Southern California Gas Company
