

THE UTILITY CONSUMERS ACTION NETWORK DATA REQUEST
UCAN-DR-001
SDG&E/SOCALGAS 2021 RAMP REPORTS- A.21-05-011/014
DATE RESPONDED: JUNE 30, 2021

Question 1:

The Safety Policy Division (SPD) asked for clarity on where the natural index values are provided in the RAMP Level 1 quantitative workpapers posted to the Company's respective RAMP websites.

SDGE/SCG Response 01:

SDG&E and SoCalGas are providing UCAN this courtesy copy of a reply to SPD's DR03, which asked for clarity on where the natural index values are provided in the RAMP quantitative workpapers posted to the Company's respective RAMP websites. The data in this reply is not considered confidential.

We are providing this information in data request format, and ask that you submit future data requests you make using a subsequent number.

Please note that this reply also includes a Non-Disclosure Agreement (NDA) for possible future data requests. Returning a signed copy of this NDA will help ensure that SDG&E and SoCalGas are able to efficiently and promptly respond to future requests that may involve data classified as confidential.
